SUMMER EDITION 2021

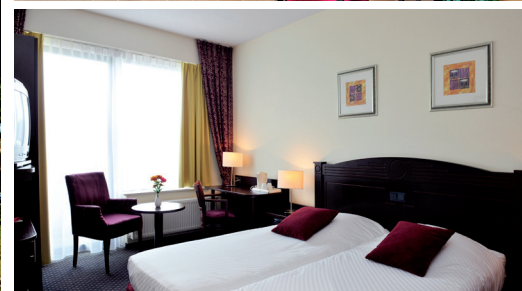

The background of the entire page is a photograph of a Dutch landscape. In the foreground, there is a body of water, likely a canal or a lake, with several lily pads floating on its surface. In the middle ground, a large, traditional Dutch windmill with a red brick body and green wooden sails stands prominently. To the left of the main windmill, another smaller windmill is visible in the distance. The sky is a mix of blue and white clouds, suggesting a bright but slightly overcast day. The overall mood is peaceful and scenic.
